

SPY CHASE

FAMILY DEVOTIONAL

Have fun doing these activities as a family, and circle the ones you completed. Have your child turn it in the next time they come.

LESSON SEVEN

Friends Help Others

BIBLE STORY:

This week, as a family, act out the story of David being a good friend to Mephibosheth by helping him with the entire family. The story can be found in 2 Samuel 9:1-13.

MAIN POINT:

Friends Help Others

ACTIVITY 1 - HOUSE HELPER:

During the week have each child pick one way they can help someone else around the house. This should be something they normally wouldn't do (load/unload the dishwasher, sort the laundry, help pick up a sibling's room). Make sure the person they are helping thanks them for being a good friend by helping, just like David helped Mephibosheth in this week's Bible Story.

ACTIVITY 2 - HELP A FRIEND:

When going to the grocery store this week, have your children pick out some canned or boxed items that you could donate to a local food bank. Talk about how they can be a good friend by helping feed people that don't have anything to eat. Before donating the food, have your children make and color a card that says, "I want to be a good friend to you and help you." Take your children with you to the food bank and have them give the food bank the card and the food, remind them that they are being a good friend by helping.
